PURPOSE OF THE CBDM PRIOR APPROVAL PROGRAM
The purpose of the CBDM Prior Approval Program is to recognize continuing education (CE) providers that have met the CBDM education standards and guidelines. This handbook provides information on CBDM standards, requirements, and benefits of the Prior Approval Program. It also provides application information and CBDM procedures for monitoring approved programs.

The CBDM Prior Approval process is completely voluntary and is initiated by the program sponsor/coordinator requesting approval. Prior Approval status does not constitute endorsement of a program sponsor or its materials by the CBDM or ANFP. The program sponsor is responsible for maintaining the content and quality of any program that has received prior approval.

The CBDM Prior Approval Program is intended for organizations interested in providing continuing education (CE) hours to CDM, CFPP credential holders. The CBDM encourages organizations to apply in order to be recognized as a CBDM Prior Approved provider if their programs meet CBDM standards of quality education.

MISSION OF THE CBDM
The mission of the Certifying Board for Dietary Managers (CBDM) is to promote excellence and industry best practices through administering and maintaining the Certified Dietary Manager, Certified Food Protection Professional (CDM, CFPP) credential for foodservice professionals. The CBDM is the credentialing agency for establishing and upholding policies for and administration of the CDM, CFPP Certification Program.

EDUCATIONAL OBJECTIVES AND OBLIGATIONS
Program sponsors must:
- Provide CDM, CFPP credential holders with quality programs that attendees can report and receive CE hours.
- Provide clearly stated and measurable learning objectives that are appropriate for the type and length of CE activity in terms of content and number of learning objectives.
- Ensure content and instructional design of the program are appropriate for the learning outcomes.
- Provide qualified personnel/staff/speaker/faculty to deliver the program in accordance with CBDM requirements.

PROGRAM TYPES AND FEES

UNLIMITED CE PROVIDER/RENEWAL PROGRAM
The Unlimited CE Provider/Renewal Program is an all-inclusive package providing organizations the ability and flexibility to request an unlimited number of CE programs to be prior-approved on demand for a period of one year. Each program must be submitted through the CE Provider Portal and will be automatically approved with required supporting documentation. All unlimited providers will be subject to an audit process. See Appendix G for details.

All Prior Approved programs are assigned a unique Prior Approval number that is valid from the date of issuance, expiring 12/31 of the third year and remains active as long as the Unlimited CE Provider annual fee is paid. Annual invoices are created in October and are due by 12/31 of the current year.

After the third year of approval, programs become renewable for an additional three years, allowing the sponsoring organization to renew the education by re-applying for approval through the CE Provider Portal and providing required documentation for the program. The Unlimited CE Provider/Renewal Program includes new upcoming programs and covers previously-approved programs up to a maximum of six years.

ONGOING PROGRAM
A single, ongoing program can be purchased or viewed anytime and offered year-round (i.e., online courses, books, archived webinars). The approval of this program type starts from the approval date and expires one year from that date.

ONE-TIME PROGRAM
A One-Time program is a program such as a live meeting or live webinar that is offered on specific dates. It can have multiple dates and locations throughout the year as long as speaker and program content are the same. A One-Time program is offered for $50 for initial approval, and $50 for each additional offering.

GENERAL APPLICATION PROCESS
To apply for Prior Approval, applicants must:
• Read the entire Prior Approval Handbook.
• First time users of the CE Provider Portal must submit an account set up application to priorapprovals@CBDMonline.org. There will be an option on this application to apply for the Unlimited CE Provider program. Submit the account setup application with appropriate payment to priorapprovals@CBDMonline.org.
  • An IRS determination letter is required with initial non-profit applications.
• All applications are submitted through the CE Provider Portal which can be accessed at www.CBDMonline.org/priorapproval.

Program sponsors must submit application, fees, and supporting material at least eight weeks before the first date of program/event to allow time for processing, corrections, and advance publicity.

Applications for non-unlimited provider programs are reviewed thoroughly before approval is awarded. Sponsoring organizations will be notified within 30 days if the application is not complete and given the opportunity to submit additional materials. All information must be received before the presentation/delivery of the CE program or processing will not continue and application will be considered inactive.

After the application is approved, the sponsoring organization will receive a confirmation e-mail containing the Prior Approval number and all other information pertinent to the approval.

CBDM Prior Approved CE Provider Logo: ANFP encourages Prior Approved providers to use the CBDM Approved CE Provider logo on all activities/materials related to the approved continuing education. The logo will be provided upon approval.
EVALUATION PROCESS
The CBDM will evaluate the proposed program for its content, quality, and appropriateness of the following characteristics:

• Title
• Instructor Qualifications
• Agenda
• Course Overview and Delivery Method
• Target Audience
• Total Number of CE Hours Requested
• Continuing Competence Level (I, II, III)*
• Program Topics**

The CBDM will deny approval to programs that fail to meet CBDM requirements and expectations.

*Continuing Competence levels are being used to help CDM, CFPP certificants identify how specific programs may meet their learning needs. See Appendix C.

**Program topics are being used to determine how the program meets CDM, CFPP competencies. These selections will be used as a search tool for learners to find programs based on competence level.

TEACHING METHODS
The program must meet one or more of the teaching methodologies indicated below:

• Live meeting—face-to-face seminar, meeting, or workshop
• Audio seminar/webinar—seminar or webinar administered via phone and/or Internet
• Web-based education
• Online courses that are self-paced or live
• Books (CDM, CFPPs are limited to reporting six CE hours for books in a three-year recertification period)
• Food/Trade Show (CDM, CFPPs are limited to reporting five CE hours for a three-year recertification period)

REQUIRED SUPPORTING DOCUMENTATION
In addition to the application, CBDM requires documentation to be submitted at the time of application for processing. Applications will not be processed without all required documentation. Refer to Appendix A for all required documents for each program offering.

MARKETING GUIDELINES
Once the program is approved, it may be advertised by the sponsor using the following statement: “This program has been approved for fulfilling the continuing education requirements of the Certifying Board for Dietary Managers (CBDM). Granting Prior Approval does not constitute endorsement of the program content or its program sponsor by ANFP or CBDM.” Prior Approval numbers should only be used on certificates of completion and not in any advertising.

CALCULATING NUMBER OF CE HOURS
Calculation of CE hours is based on the minutes of attendance/participation time. One CE hour is equivalent to 60 minutes of attendance/participation. A minimum of 30 minutes of attendance/participation is required for CE credit. After 30 minutes, CE credit will be accrued in 15 minute increments. For ineligible activities, refer to Appendix A.

MONITORING AND FOLLOW-UP PROCESS
The CBDM will monitor Prior Approved programs on an ongoing basis to ensure the requirements are met. The program sponsors will be monitored in the following ways:

• The CBDM may intermittently request program attendance information to gather feedback from attendees on the program sponsor performance in meeting the requirements for Prior Approval.
• The CBDM may request program materials or copies of certificates of attendance, or may attend activities to audit the effectiveness of each program.
• Prior Approval Program attendees are encouraged to contact the CBDM if they feel a program sponsor is not meeting the requirements for Prior Approval.
**COMPLAINTS OR CONCERNS**

If the CBDM receives a complaint and/or identifies via the monitoring process that a Prior Approved program sponsor may not be in compliance with the requirements set for Prior Approval, the CBDM will contact the program sponsor in writing to request documentation for investigation and request a written response to the complaint or concern within 30 days.

Prior Approved program sponsors who do not comply with the CBDM request or the documentation does not support compliance with the requirements for Prior Approval, will be notified of revocation of Prior Approval status.

**REPORTING CE HOURS**

CDM, CFPP program attendees who attend a CBDM Prior Approved Program must self-report CE hours online via the My Certification page as a Prior Approved program, upload the certificate of completion provided by program coordinator (which includes Prior Approval number), and save the certificate in their files.

CE hour requirements for the three-year recertification period:

- Nine of the 45 CE hours must pertain to Sanitation and Safety. Additional hours will be automatically converted to General CE hours.
- One of the 45 CE hours must pertain to Professional Ethics. Additional hours will be automatically converted to General CE hours.
- A maximum of five CE hours can be earned and reported for Trade/Food shows.
- A maximum of six CE hours can be earned and reported for Books.

Effective June 1, 2019, CDM, CFPPs are now required to submit all CE hours electronically via the My Certification page of their ANFP record by the end of their three-year recertification period. When submitting a CE program, all required documentation must also be electronically uploaded via the My Certification page. Physical, e-mailed, or faxed documentation sent to CBDM will not be accepted or returned. If a program is not Prior Approved, several different forms of required documentation are required, and the documentation must be uploaded at the time the CE is submitted.

Effective June 1, 2020, failure to report the required CE hours by the end of the three-year recertification period will result in the certification being terminated. Extensions will not be granted to earn and report hours.

CE hours can be earned and reported while the individual is actively certified and only during the current three-year period. Once CE hours have been earned for a specific program, the program cannot be resubmitted for credit again, regardless of whether it is a new recertification period. Also, extra CE hours do not carry over from one three-year recertification period to another. Credit can only be earned once for any given program. View the additional information on maintaining your credential here.

For CDM, CFPPs who do not have their own computer, there are other viable solutions such as using mobile devices, tablets, or public computers that may be available at a local library.

To learn more about how to self-report CE activity and upload required documentation via the My Certification page, visit the CBDM website and refer to the CBDM Guide to Maintaining Your CDM, CFPP Credential.

FREQUENTLY ASKED QUESTIONS

WHY IS THE PRIOR APPROVAL PROGRAM A BENEFIT TO ORGANIZATIONS?
Meeting the CBDM standards and requirements for eligible continuing education places your program in a position to be viewed with high regard and respect by industry professionals seeking quality programs that deliver rich content objectives of lifelong learning to improve their careers and enhance their professional development, while increasing awareness and providing greater exposure to your programs/events.

IS MY PROGRAM PROMOTED ON ANFP’S WEBSITE ANYWHERE?
Yes. Prior Approved Programs are listed in the CE Provider Search to increase awareness and exposure of programs to CDMs.

THE PRIOR APPROVAL APPLICATION INSTRUCTS ME TO SEND IN ALL DOCUMENTATION EIGHT WEEKS IN ADVANCE. WHAT IF I AM INSIDE OF THAT TIME?
Due to the large number of requests we receive, we request a minimum of eight weeks advance notice to allow enough time to review and process applications, address any corrections and secure missing information. We cannot guarantee that we will get to your application in time for your program/event if submitted less than eight weeks before the program/event. Late fees will apply to requests sent less than 30 days in advance.

WHAT HAPPENS IF I AM MISSING ANY INFORMATION WHEN I SEND IN THE PRIOR APPROVAL APPLICATION?
You will be contacted by a staff representative if it is determined that there is missing information during the application and supporting documentation review process.

WHO CAN I CONTACT IF I HAVE MORE QUESTIONS?
Staff representatives are available via phone at 800.323.1908 (Monday through Friday 8am - 5pm CST) and via e-mail at priorapprovals@CBDMonline.org to answer any questions you may have.
Unlimited CE Provider programs are automatically approved upon successful submission of all documentation. A Prior Approval number will be automatically generated and listed in Current CE in their CE Provider portal account.

ANFP will randomly audit programs. If a concern is brought up to ANFP or program is in question from internal audit or by any other means, a letter will be sent to provider requesting additional information or further documentation within 30 days.

If response is addressed and is satisfactory, provider will be notified in writing within 15 days and no further action is needed.

If concerns of programs are partially substantiated, further communication with provider will continue to either find a solution for enhancement of the programs or withdrawal of the program within the following 60 days.

If response to letter does not occur, or if ANFP feels the program does not benefit the education needs of the CDM, CFPP profession, the approved status of that program will be revoked. A letter will be sent of the decision, along with the appeal process. Any refund requests of the unlimited provider fee will not be refunded.

A provider can appeal the decision by filing a written notification of the intent to appeal. The letter should be directed to:
