Processing testing accommodations request and sending determination		CBDM sends e-mail determination (from info@CBDMonline.org) of approval/denial status for requested testing accommodations.	PSI reviews candidate’s completed and submitted PSI online testing accommodations form and uploaded 2-page form that includes PSI sends e-mail determination (from support@psi-cdexp.zendesk.com) of approval/denial status for requested testing accommodations.
Scheduling exam	If requesting testing accommodations, do NOT schedule exam online or call PSI to schedule your exam appointment. Preferred date/time and location provided on the PSI online Request for Accommodations form is used by PSI to schedule your testing appointment. NOTE: Scheduling online or by calling PSI will result in approved testing accommodations not being available.		Based on candidate’s preferences listed on the <i>PSI Online Request for Testing Accommodations form</i> , PSI schedules candidate’s exam appointment. If requested date/location are not available, PSI informs candidate and advises of next steps via e-mail from support@psi-cdexp.zendesk.com
Exam appointment confirmation			PSI sends e-mail confirmation with verification of date, time and location.
Accommodations at testing center	Complete exam at Test Center as scheduled and in accordance with CBDM policy.		Based on approved accommodations and confirmed testing appointment, PSI makes accommodations available during the exam appointment.
